PROFILE

I am a Web Developer with a passion for creating extraordinary websites. With expertise in various technologies and design software, I aim to leverage my skills to deliver high-quality web solutions for my clients.

WORK EXPERIENCE

HKS TECH LAB.

JAN 2024 - MAR 2023

Internship

Assisted in building responsive websites using HTML, CSS, JavaScript, and React. Worked on UI enhancements, API integration, and bug fixing. Gained experience with Git, debugging, and cross-browser testing.

PROJECTS

Text-to-Image AI Generator Website

React, Node.js, Tailwind CSS, AiGuru API

- Developed a web application that converts user prompts into AI-generated images.
- Implemented features like speech-to-text input, model and aspect ratio selection, and multi-image generation.
- Integrated backend API for image generation and managed user credits and history using local storage.
- Ensured responsive UI and smooth user experience across devices.
